

The Crossing Over Prayer

Dearest Lord Above,

I humbly request that you take any and all souls, who have found my divine light of service, into the Heaven World, right now.

I ask that an angel wrap each soul in a blanket of healing light, right now.

I pray that every single soul will use the Light Bridge provided by my angelic team to transition into the Heaven World, right now.

I send love and healing to all souls no matter how they lived or died, no matter their level of guilt, without any judgment or prejudice whatsoever, right now.

May the light of your love, Father, embrace and keep all of these souls now and forever.

Amen
